

The Champion Model HGR5-3 Gas Powered Compressor has all the features you'd expect for heavy duty truck mount applications.

HGR5-3

Features

- Champion Model No. R15BHU two-stage 5HP pump c/w pilot valve & head unloaders.
- Honda 11HP Gas Engine c/w electric & recoil start, oil alert, and vibration dampening underpad.
- Idle-down control.
- Centrifugal Clutch.
- Cog-type drive belts.
- Vibration resistant 30 gal. ASME pressure vessel.
- Bucket-high drain trap.
- Gas powered portable compressors operate under conditions that are far more demanding than conventional electric-driven machines. It is therefore imperative that these features be incorporated into the design.
