Sullivan Palatek®

“Dedicated to Quality ...

KEEP IT SIMPLE ...

KEEP IT CLEAN ...

MAKE IT SOLID ...

MAKE IT SULLIVAN!

Sullivan-Palatek manufactured air end. insures complete control over quality and testing of all components. Tapered roller bearings add to the quality of every Sullivan machine.

The Sullivan-Palatek Compressor

The advantages of owning a Sullivan-Palatek Rotary Screw Air Compressor.

Sullivan-Palatek provides low maintenance, high performance and one of the most reliable air ends in the industry.

Our design features advanced profile rotary screws for high efficiency.

Operating costs are significantly reduced because compressors can be sized to desired operating conditions.

Sullivan-Palatek provides a **THREE YEAR, Unlimited Hour, Air End Warranty, on all machines.**

Sullivan-Palatek Portable Features:

Galvaneal Enclosure, protection against chipping and rust. Complete instrument panel.

Glow plug engine provides easy starting in all climates.

Galvanized wheel wells and tool boxes. Heavy duty tires. Pintle eye standard, or optional two inch ball.

Safety chains standard on all models.

Description, Specifications and Pictures represented in this brochure may vary from actual equipment purchased.

Committed to Support™
